

TASA Art Club Schedule Winter 2018

meets Tuesdays and Wednesdays After School until 5:30

Please keep this page for reference

- TASA is open to students in grades 4 & 5. Classes meet on Tuesdays and Wednesdays.
- Return the registration form to the TGS main office. Priority will be given to forms returned by Dec. 21st, but rolling enrollment is acceptable if space allows.
- I can have a maximum of 14 students per day. Students can sign up for one or both days. If you sign up for both, please make a 1st and 2nd choice in case of over enrollment.
- Students will go to the computer room for our class when walkers are dismissed. Home schooled students should arrive at 3:00. Pick up is at 5:30pm at the TGS main entrance. There is NO BUS HOME. If you need to pick your child up early, come in to the room, text or call my cell 593-6542 (new # from last year) and I will send them out.
- I'll send reminders and updates via e-mail (if you don't have e-mail, give me your phone number) each week about the Clubs.
- Occasionally, I will put out calls for materials like **beach rocks (we need these this session!)**. These can be dropped off at school or I can pick them up.
- **We need donations of SNACKS!** We average 15 students per class. You can pick a date to send snacks in for (call me or e-mail) or just drop off something at the class when you pick up your child and I can use it for the next week. You can also donate a few dollars and I will buy snacks with the money. Suggestions: Juice boxes (Capri Sun, etc), pretzels, corn chips, granola bars, fresh fruit, cookies, fruit cups
- If you sign up and then can't attend, please let me know so we can know how many snacks we need, the amount of materials and to open up space for another student.
- Questions? Call (please note: NEW PHONE#) or email. Teacher contact information: Cindy McGuirl dancingblanket@gmail.com 354-0929 cell 593-65426 (you can use this during class time).

Create your own stuffed minion or doll.

Marbling & Mosaics **Jan. 23, 24, 30, 31**

Students will float paints on thickened water and move it around with rakes and combs to create marbled papers. Students will take turns at the Marbling Tray. Students will design, paint and glue on tiles when they are not Marbling. We will be using Weldbond, a non toxic, extremely strong glue. The finished tiles can be displayed outside. I have some materials on hand but we can use donations of tiles (any size), aquarium rocks, vase beads, shells, sea glass, small glass beads, and anything else you can think of!
